Topic: **Workforce of the Future 2030**

We are living through a fundamental transformation in the way we work. Automation and 'thinking machines' are replacing human tasks, changing the skills that organizations are looking for in their people. But what will the future look like? Join us for a presentation discussing Workforce of the Future 2030 as discussed by Elizabeth Greenberg. Elizabeth currently serves as a Director with PwC's Financial Services People & Organization practice in New York City.

Guest Speaker: Elizabeth Greenberg – PwC's Financial Services People & Organization

Agenda:

8:00 a.m. Registration & Breakfast Buffet
8:30 – 8:40 Welcome message from leadership
8:40 – 9:40 Guest Speaker Presentation
